# SCAVENGER HUNT 2022

Hello EC and PSW Employees - Welcome to the 2022 EC/PSW Employee Scavenger Hunt!

## DETAILS

Our three-day virtual scavenger hunt runs from **Thursday, August 18th through Saturday, August 20th**. Starting at **4pm on the 18th** you will be able to access the scavenger hunt missions. The game closes at 4pm on the 20th.

This game can be played from any town, all you need is creativity, a playful spirit, and a smart phone or tablet. Exciting missions are released each day of the game, with daily chances to win prizes. Each mission has a set point value and specific requirements so pay attention to the details of each mission. After you complete a mission your team starts collecting points.

## CREATING TEAMS

Now is the time to network with colleagues and form a team of four! **Teams are 4 people**, the most varied of teams start the game off scoring additional points. Meaning if you have both a PSW and EC employee on team you earn +200, if you have employees from different states/regions you earn +200, and teams filled with different departments earn +200. AND if you have an apprentice on your team you get a nice lead with an additional +500 points.

Ready for some fun? **Scan the QR code to get this game downloaded.** Get your teams signed up now so you're ready when the event goes live!

The instructions on how to set up teams and access the game are on the next page.

## TEAM CAPTAIN

Each team will choose one person to act as the Team Captain. The Team Captain will follow the player instructions to sign up and then take the lead on creating the team and inviting players to join. Each Team Captain will need to send Anne Tyler the team information once the game is live to score additional points if the team is varied.
